No claims bonus protection

For an extra premium you can protect your no claims bonus if you have four years or more no claims bonus. This means you will keep that no-claims bonus as long as no more than one claim arises during the period of insurance for which the extra premium applies. Although you can protect your no claims bonus, your premium may still be affected by any claims we pay.

Drink and drugs clause

We will not provide cover for any accident, injury, loss, damage or liability whilst any driver is under the influence of drink or drugs.

Section 4 – Windscreen cover

If you have this cover on your policy and need your windscreen repaired or replaced, you should call our approved windscreen specialists on the number shown below. We will need to confirm all claims before any repair or replacement work is carried out.

You must give the policy number when calling for assistance. If your policy cover can't be confirmed on the call and/or if an excess applies, your credit / debit card details will be required.

We will not pay for the first amount of each claim for glass replacement (known as the windscreen excess). The windscreen replacement excess will be shown on your schedule.

Where an excess applies to your claim, we will require payment of the excess by credit / debit card before the windscreen replacement will be carried out.

We will not pay for any amount over €150 for replacement, less the windscreen excess or €50 for repair if the work is not carried out by our approved windscreen specialists.
