We will not keep more than 5% of the payment for a claim less than €40,000 or more than 10% of the payment for a claim above €40,000. We will consider the work complete when we have reviewed final invoices and carried out a final inspection of the work. The inspection may be carried out by a representative appointed by us. (See section four buildings – How we settle claims)

### **Valuables**

We will not pay more than 33% of the contents sum insured for valuables and more than €3,000 for any one item of valuables unless it has been specified on the schedule and a valuation supplied.
